Miscellaneous:

June made a suggestion to have a family activity—families would visit different stores to answer multiple choice questions. She also suggested family floats which would list all of the families living in Kingsburg in 1908.

Julie mentioned that the Friends of the Library would be having a play on Mar. 7-8, 2008, called "Murder at the Library."

June also suggested that we keep the former and current Swedish Consulate updated on our Centennial plans. They would love to attend. It was also suggested that a special invite be extended to our sister city. Klinda offered to work with June on a letter informing our sister city of the Centennial.

Next meeting:

May 1st at 6:30pm in the Council Chambers
